

May 18. 16

10, Downing Street,  
Whitehall, S.W.

Dear Sir,

The Prime Minister desires  
me to say that he has had much  
pleasure in asking the War Office  
to arrange for your visit to the  
English front in France, & that  
he will let you hear further as  
soon as possible.

Yours faithfully

Curzon

Asquith
