Dear Foster

Raemaekers has made an arrangement with the Daily Chronicle for the publication of his cartoons from now on.

Will you therefore have sent over to Mr Robert Donald proofs of the three cartoons which were handed to you on Thursday last - namely the Germans kicking wounded officers, the Kaiser as Salome and the smaller of the two drawings of "The Path of Kultur".

You will please continue sending them to the Daily Chronicle (to Mr Donald till otherwise advised) as you have heretofore sent them to the Daily Mail, to which latter no more are to be sent -

Yours very sincerely
