

EMPIRE HOTEL.

BATH.

My dear W. Raemaekers  
I don't know what  
you must have  
thought of me for  
not returning &  
for your "Heritage"  
I have been touring  
about (and enjoying  
it immensely!)  
and I shall send  
the book back & when  
I return home,

EMPIRE HOTEL

BATH

through London.

I hear that Heritabe  
has got into its  
second Edition, so  
we are delighted at  
that wonderful  
success.

I shall be settled at  
Brighton after the  
15th. and so glad to  
see you, if ever you come  
down there, altho my  
house will be in  
a chaotic state for another  
year, alas!  
Yr very sincerely  
Victoria Sachse
